

RACING PROGRAMME 2017

As usual the Club's points series for the summer season will run from April to the end of October. The winter season runs from November to March. Results are calculated by counting competitors' scores in 50% + 1 of the races sailed in a series. Results for open meetings and regattas are calculated as per the Notice of Race for the event.

Please note

- The Fast Handicap races are for dinghies (and certain keelboats, see below) with PY numbers of 1162 or lower; the Slow Handicap is for boats with PY of 1163 and higher.
- K1s and Flying Fifteens may compete in Fast Handicap races.
- The 14.33 Mixed Keelboats races in Programme A (Saturday afternoons) are intended for Broads ODs and Squibs. Waveneys have their own class races but if only 1 Waveney is present, it can sail in the Mixed Keelboats race if it wishes.
