

# RACING PROGRAMME 2018

## What's new for this year?

### Saturday racing:

- Programme A racing on Saturday afternoons will start 15 minutes later than in recent years. First start at 14.21.
  - Fast and Slow Handicap series on Saturdays will be divided into 3 sections and the trophies will be awarded as follows:
    - April to end of June – Fast Handicap races for The Festival Trophy; Slow Handicap races for David Brooke Shield.
    - July and August – trophies to be announced
    - September and October – Fast Handicap races for The Bob Niblett Trophy; Slow Handicap races for The Waterfront Shield.
    - Both races each Saturday will count towards the relevant trophy.
- Keelboat series will run from April to October as in previous years.

### Juniors in Slow Handicap races:

- A junior who changes class during the season may ask the Sailing Committee to transfer his/her points to the new boat. (Normally the transfer of points is only allowed between boats of the same class.)
- A junior who sails a 'Fast Handicap' boat, e.g. a Laser or Laser Radial, may opt to sail that boat in Slow Handicap races on condition that they inform the Race Officer and give their sail number.

### Please note

- Results are calculated by counting competitors' scores in 50% + 1 of the races sailed in a series. Results for open meetings and regattas are calculated as per the Notice of Race for the event.
- The Fast Handicap races are for dinghies (and certain keelboats, see below) with PY numbers of 1162 or lower; the Slow Handicap is for boats with PY of 1163 and higher.
- K1s and Flying Fifteens may compete in Fast Handicap races.
- The 14.33 Mixed Keelboats races in Programme A (Saturday afternoons) are intended for Broads ODs and Squibs. Waveney's have their own class races but if only 1 Waveney is present, it can sail in the Mixed Keelboats race if it wishes.

The race programme for the **Squib Broadland Regatta** is displayed on the club website [www.wobyc.com](http://www.wobyc.com).
