

RACING PROGRAMME 2019

Notes for this year

Lady Mayhew Race:

This all-comers handicap race is our traditional start to the Summer racing season. This year it will be on Sunday 7th April at the earlier than usual time of 10.15 and be followed by races that will count towards our normal Sunday points series, i.e. a fast and a slow handicap race for dinghies and class races for keelboats.

Saturday racing:

- Programme A start times will be as last year with first start at 14.21.
 - Fast and Slow Handicap series on Saturdays will be divided into 3 sections and the trophies will be awarded as follows:
 - April to end of June – Fast Handicap races for The Festival Trophy; Slow Handicap races for David Brooke Shield.
 - July and August – Fast Handicap trophy to be announced; Slow Handicap races for Summer Cup.
 - September and October – Fast Handicap races for The Bob Niblett Trophy; Slow Handicap races for The Waterfront Shield.
 - Both races each Saturday will count towards the relevant trophy.
- Keelboat series will run from April to October as in previous years.

Juniors in Slow Handicap races:

- A junior who changes class during the season may ask the Sailing Committee to transfer his/her points to the new boat. (For adults the transfer of points is only allowed between boats of the same class.)
- A junior who sails a 'Fast Handicap' boat, e.g. a Laser or Laser Radial, may opt to sail that boat in Slow Handicap races on condition that, on each occasion, they inform the Race Officer and give their sail number.

Lasers in Winter Programme 2019-20:

The Lasers will not have a separate start in the programme. Instead their trophy (the Brass Monkey Bell) will be awarded to the first Laser in the results for the 2nd Fast Handicap series.

Please note

- Results are calculated by counting competitors' scores in 50% + 1 of the races sailed in a series. Results for open meetings and regattas are calculated as per the Notice of Race for the event.
- The Fast Handicap races are for dinghies (and certain keelboats, see below) with PY numbers of 1162 or lower; the Slow Handicap is for boats with PY of 1163 and higher.

PROGRAMME PP

Saturday 20th July

14.21	FAST HANDICAP	PY 1162 and lower
14.24	SLOW HANDICAP	PY 1163 and higher
