

WAVENEY ONE DESIGN FOR SALE

ARROWHEAD WOD 04

Built 1923 by Evans Builders

Carvel planked in pine on steamed oak ribs linoleum deck covering.

New marine ply floorboards with plank pattern, blue seat cushions, two long paddles, mudweight, mooring ropes and springs, two fenders with lanyards, demountable SS outboard motor bracket.

WOD mainsail and jib, jib fitted with Aeroluffspar furling, sails in good condition no holes or tears, racing burgee, stem to stern cover with zipped access, SS crutch, jib pole, combined boathook and quant, 2022 bilge pump, shelves under side decks.

Arrowhead has SS keel flange bolts.

In 2021/2022 Arrowhead was careened in the boatyard, bottom blasted with solid CO2 pellets and all paint removed by sanding. Seams below waterline were opened out to 6mm and filled with Bostik SSKF. Bottom treated with CPES (clear penetrating epoxy sealer) primer and antifoul. No signs of rot in the bare planks.

Topsides white painted with Sikken's White Rubbol Satura .

Mast and spars sound, gaff suffered a break about 5 years ago which has been bandaged with glassfibre tape and epoxied.

Halyards made fast on belaying pins.

Arrowhead has been sailed on Tuesdays in the season over the last five years on the R. Yare from Langley Dyke. In the winter she is hauled out at Greenway Marine Chedgrave.
